Filing Description:

We are submitting the attached endorsement forms for approval. These forms do not replace any previously submitted forms.

The endorsements will amend all our individual deferred annuity contracts. Endorsement form T-DAIC-ME-E1 will be attached to our Retirement Annuity Contracts, After-Tax Retirement Annuity Contracts, Supplemental Retirement Annuity Contracts, IRA Contracts, Roth IRA Contracts, and Rollover IRA Contracts. Endorsement form T-PA-ME-E1 will

be attached to our Teachers Personal Annuity Contracts.

The purpose is to make contract modifications necessary to accommodate the elimination of valuation dates and transactions occurring on dates that fall on other than a business day, when such dates fall on the last day of a calendar month. Currently, these contracts all define the last calendar day of a month as being a valuation day for the variable annuity accounts.

The endorsements:

- 1) redefine the term Valuation Day so that it no longer includes valuation dates occurring on the last day of the month when it is not a business day; and
- 2) eliminate any provisions that may have provided for making transactions effective on such non-business dates.

We want to assure the Department that these changes do not negatively affect or reduce the rights of contractholders and are necessary because:

- 1) there are no reference markets or securities to determine fair value, as required by the SEC, on non-business days. As such this change is viewed as a regulatory necessity;
- 2) it will align our processes with universal industry practice which does not calculate unit values on such non-business days; and
- 3) it will simplify and standardize TIAA's overall administrative procedures.

We have bracketed those elements that are being submitted as variable.

Please note that a certification of readability is not included as the products that the endorsement will be attached to are securities subject to federal jurisdiction.

The forms will be pre-printed or laser emitted with identical language approved by the Department. We reserve the right to change the book-turn duplex printing, pagination, location of print lines and words, signature graphic, and the type of font (but not to a point size less than 10) of these forms without resubmitting for approval.

Please feel free to contact me if you have any questions. Thank you for your consideration of this submission.
